## About College

Shree Siddheshwar Devasthan's, Shree Siddheshwar College of Physiotherapy is the first Physiotherapy college in Solapur district established in the academic year 2021-2022. It is recognized by Government of Maharashtra and affiliated to Maharashtra University of Health sciences, Nashik. The asset of the institute includes a team of full-time dedicated highly qualified and experienced faculty, central library, an upgraded digital library, a state of art departmental labs. Our college attached with Ashwini Rural Medical College, Khumbhari, Solapur for conducting theory and practical classes of medical subjects. Our college attached with Shree Siddheshwar cancer hospital, Ashwini Hospital, Chidgupkar Hospital and Sparsh Hospital for clinical postings. We got our own Shree Siddheshwar Physiotherapy and Rehabilitation center, an outpatient department unit at Shree Siddheshwar College of Physiotherapy and Shree Siddheshwar Cancer Hospital, Solapur.

## About Shree Siddheshwar Devasthan

Shri Shivayogi Siddheshwar Maharaj is considered as an incarnation of Lord Shiva, whose temple is located amidst a lake further flanked by Bhuikot fort. The temple is highly revered by the devotees as it is the place where Shri Siddheshwar Maharaj attained Samadhi. The temple is administered by the Shri Siddheshwar Devasthan Panch Committee. This is a public charitable trust established in 1885. Many social, educational and medical services are provided by the trust through various organizations. Shri Siddheshwar Devasthan is engaged in the upliftment of the Society since its inception. In fact the same was started by Lord Siddheshwar in 12th Century.

## Courses Offered

### Bachelor of Physiotherapy (BPT)

The degree offered is Bachelor of Physiotherapy under Maharashtra University of Health Sciences, Nashik (State Health science University). The duration of course is 4 years and 6 months including compulsory rotatory internship of 6 months. The curriculum is one of the most updated with emphasis on the physiotherapeutic principles underlying treatment in all the branches of Medicine. Academic teaching of all subjects is followed by intensive practical training & hands on application on patients in clinical setting.

### State-of-art-infrastructure

In compliance with the norms set down by the MSOTPT Council and IAP, the College building has been appropriately designed and fully equipped with lecture halls, laboratories to provide hands-on practical training to the students. The lecture halls are provided with smart boards and LCD projectors. The College also possesses a variety of advanced diagnostic, therapeutic modalities and instruments, utilized for treatment and research work.

### Library

The College boasts of a library with an impressive collection of books, physiotherapy magazines, national and international journals. A well-equipped computer lab with internet connection and Wi-Fi access is available for students and faculty for carrying out various academic activities.

## Job Prospects

Physiotherapy has evolved as an important component of modern health care. It focuses on restoring movement, helping people maintain and maximize their physical strength, function, and overall well-being by improving their activities of daily living. The physiotherapists have job opportunities in college as Assistant Professor, in Hospitals as Clinical Physiotherapist, can set up own Rehabilitation centre and Physiotherapy Clinic, State and Central Government jobs through DMER, NRHM, DDRC etc, as a Physiotherapist in Disability schools, Sports Physiotherapist, as a Physiotherapist in rehabilitation centres etc.
