**Report on participation in “ICPT Neuro Confluence 2025” conference organized
at Terna Medical College, Nerul, Navi Mumbai.**

‘ICPT Neuro Confluence 2025’ was organised on 25th and 26th January, 2025 at Terna Medical College, Nerul, Navi Mumbai. ICPT Neuro Confluence 2025 is the first CPD event recognised by World Physiotherapy (WCPT) and also by MUHS & Maharashtra State Occupational Therapy and Physiotherapy Council, Mumbai. The event had a promising and enriching experience for all attendees, featuring leading experts in physical therapy and neurorehabilitation. Dr. Kaustubh Jadhav, Assistant Professor, Shree Siddheshwar College of Physiotherapy attended and represented the college at this grand event. The event consisted of theoretical, practical and hands-on demonstrations for innovations in physiotherapy interventions used in Neurological Physiotherapy and Neuro-Rehabilitation. Various newer devices were introduced through the sessions by different experts. National as well as international speakers were present at the conference and shared their valuable inputs and experiences. Multiple new inventions were presented by students and professionals which can be very useful in the rehabilitation of neurological patients. Multiple papers, posters and case studies were presented by students and professionals adding importance of research in physiotherapy.

The two-day event was a grand success with large number of attendees including students, professional and foreign delegates. The organizing team as well as the sponsors had their stalls for their sales of products. The networking among the professional helped in sharing interpersonal and professional information about colleges and work related problems as well achievements. The conference was overall a very informative and enriching event helping to explore various treatment techniques and devices to improve patient care.
